Who are we?

Globe Law Co. is an Immigration law firm with offices in Mumbai. The Firm is led by a specialist Solicitor with expertise in the field of Immigration Law.

Although we started our operation with focus on immigration to the United Kingdom, Today we have come a long way and include Canada, Australia, USA and Investor Visas Consultancy services for immigration to a wide range of countries.

We have established a reputation as the firm that provides clients with a personal touch; friendly yet professional solutions for their migration and travel needs.

At Globe Law Co. our Attorneys have extensive experience of working with clients to understand their visa requirements, provide advice on appropriate visa categories and an opinion on the overall success of your application.

Our clientele includes:

- Individuals and HNWI's
- Corporates, Small & medium businesses
- Businesses, Investors, Entrepreneurs
- Highly skilled migrants/Professionals
- Students

At Globe Law Co. we offer advice and assistance to clients at every stage of the immigration process. The help we offer includes (but is not limited to) the following:

- Advising clients on legal requirements for various visa options
- Checking your eligibility to apply for the visa
- Providing an overview of the application process including fee payments & processing times
- Offer an opinion on the overall success of your application or
- Your options if you have been unfortunate enough to be refused

Our Services

Personal Review

A Personal Review with our qualified and experienced immigration consultant includes a detailed assessment of your profile in accordance with current immigration laws. The Review helps you avoid unnecessary expenses, such as visa application fees, until you are certain your application has the best possible changes of success.

Video Chat for Expert Advice

Want a Personal Review But Can't make it to our offices for a consultation with our experienced lawyers. It is not a problem – now book an appointment for a video chat with our experts.

Full Representation Service

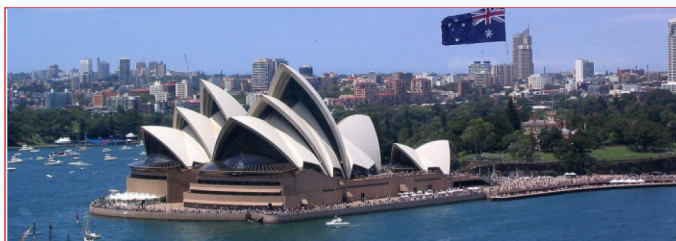

At Globe Law Co. our immigration experts understand the importance of filling a complete and accurate Visa application. Our full representation service for any Visa category ensures that your chosen country's visa application has the best chance for success.

Our Portfolio

United Kingdom

Our Solicitors are UK qualified lawyers with extensive experience in UK Immigration. This fact has established our UK Visa assistance department as our most reputable domain. If you require any and all assistance with regards to a UK Visa, count on our firm for the best in class assistance.

Australia

Applying for any visa for Australia, whether it is for a temporary period of time or permanently, can be a very anxious time because there is a lot at stake. We have successfully helped lots of families make a fresh start in Australia.

Canada

Canadians have always enjoyed a very high quality of life with salaries comparable to those in the USA, UK and Northern Europe. A major advantage of living in Canada is that, in most locations, it's possible to enjoy an excellent lifestyle at normal income.

Investor Visas

With the increasing integration of international economies investor linked visas are increasingly getting popular with High Net worth individuals. Our investor visa experts can advise you on settlement options with investments in UK, USA, Malta, Portugal and many more destinations.
